22nd Annual Recycled Art Show - Around the World

The Art Alliance of Central Pennsylvania held its 22nd Annual Recycled Art Show this past April. This year's theme was "Around the World", and featured recycled art from many local artists as well as a piece created by the students at the Montessori School of the Nittany Valley.

Awards were given for outstanding exhibits and many of the pieces were showcased at the Centre County Recycling & Refuse Authority's Interpretive Center during the month of May.

This year's show was sponsored by Joe Krentzman & Son, Inc. and there were countless volunteers who helped make the show a success.

The art show featured many amazing exhibits, all of which were made from recycled materials. A few of the pieces are shown below.

Honoring 55 Local Green Businesses, Schools and Organizations

This April, the Centre County Recycling & Refuse Authority, the Centre Region Council of Governments and the Borough of State College held an awards luncheon to honor 55 of our area's best green businesses, schools and organizations.

Over 100 area business owners, teachers, school administrators and employees were present at the awards luncheon in coordination with Earth Day to receive recognition for their efforts both in recycling and sustainability.

The Authority's Recycling Coordinator, Joanne Shafer addressed the crowd and there was a photoshoot opportunity as well.

A list of all 2016 Green Business Partners is shown below and each has been spotlighted on CCRRA's Facebook & Twitter pages over the past few months.

If you would like to apply as a 2017 Green Business Partner, please visit www.centrecountyrecycles.org for an application or e-mail Amy Schirf at aschirf@centrecountyrecycles.org for more information.
